

**Mackenzie Community School
PA Day
Friday, November 17, 2023
8:10 am - 11:00 am**

On the evening of November 16 and the morning of November 17, Mackenzie Community School Elementary will be holding interviews with parents and guardians. We welcome this opportunity to spend time updating families on the progress of students, as well as answering any questions that they may have. Our staff value the partnerships that we have with our parents and guardians and hope to be able to connect with all on these dates. You will be contacted by the school electronically to arrange a meeting time. For any further information please contact the school.

In alignment with PPM 151, Mackenzie Community School Secondary will focus on school improvement planning. Topics may include implementation of new and revised curriculum, literacy and mathematics, student well-being, safety and violence protection as well as the incorporation of a focus on reaching every learner (universal design for learning, tiered intervention, culturally responsive instruction, assessment and evaluation, equity and human rights, etc.).
